Junior Rising Stars (1-3 grade)

Rising Stars (4-6 grade)

EnVision (7-9 grade)

Auditions will be held **April 25 10:00-12:00**: group stretch, short class and instruction of audition routine.

Resume at **4:00 for auditions**. Girls will audition in groups of 2 or 3.

Results will be posted at the front door to the studio at 8:00 on the evening of rehearsals.

If your dancer would like to audition for next year's team, please talk to your teacher and get her input on suggestions for preparation between now and then.

Of course, this is just one facet of Dance Team. For information on estimated costs, performance opportunities, goals, etc. please email me and I will be happy to send you our newbie packets.

I believe we have a big interest in auditions this year, I certainly hope so! All of our dance teams continue to grow and mature, and the young ladies are exceeding as dancers but also as good, sweet girls (something that we try to enforce almost as much as the dance!)

Of course, I am happy to answer any questions or concerns. Personal meetings work great, as does email or phone call. I hope to hear from some of you soon!
